Roof System: Liquid Waterproofing

# SRATASHIELD - Our very own liquid waterproofing system

## STRATASHIELD

The StrataShield range of liquid waterproofing systems incorporates the latest polyurethane and polyurea technology and has been specially developed to meet the needs of modern construction. With traditional two-layer, wet-on-wet and spray-applied options, StrataShield can be tailored to the individual needs of your roof or balcony, providing outstanding waterproofing performance and long-term peace of mind.

## SYSTEM DETAIL

Liquid Primer: StrataPrime Porosity Sealer  
Base Coat: StrataShield Flex Base Coat (Light Grey)  
Fleece: StrataFleece GF  
Top Coat: StrataShield Flex (Dark Grey)
